PREMIUM GREEN PAD

DESCRIZIONE

Premium pad Green in first choice of polyester fiber to be used for dewaxing operations with an appropriate chemical product.

Also suitable for thorough washing of heavily soiled surfaces, this medium-aggressive pad offers efficient results in removing marks.

The Green Premium Pad is also ideal for wet use with MICROIMPULSE and suction system for restoring vinyl flooring without interrupting traffic.

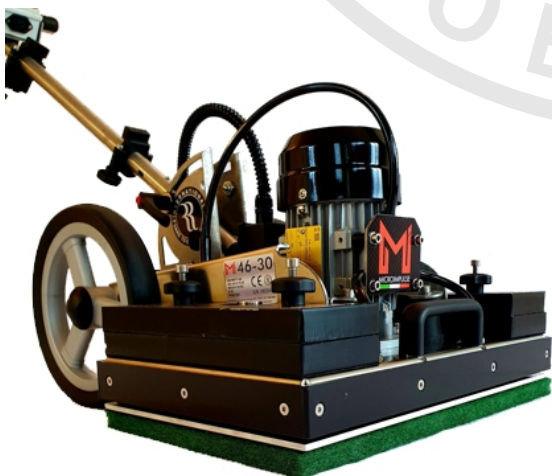

Its open mesh structure allows dirt to be easily collected and ensures constant performance throughout the life of the product

Wash the disc after use
