PREMIUM BROWN STRIP PAD

DESCRIZIONE

The **PREMIUM BROWN STRIP PAD** is suitable for basic and heavy work such as removing wax from floors, cleaning marble before polishing with dust, acid or alkaline washing of stoneware, granite, stone and terrazzo floors.

Designed to perfectly fit the MICROIMPULSI velcro plate, it can be used both wet and dry. Also excellent for removing lime, gypsum, cement and paint residues from newly laid flooring.

It can de-wax PVC, Linoleum and Rubber even with water only, making it economical and eco-sustainable. The rectangular shape (like all pads of the MICROIMPULSI system) allows you to clean in hard to reach places such as corners and edges.

Product for deep cleaning not suitable for daily washing of delicate surfaces.
